wraparound driveway providing convenient, stair-free entry.

Inside, you'll find generous living spaces, beautiful crown molding, replacement windows, and some new carpeting. The well-appointed kitchen features double wall ovens and an eating bar, with all appliances conveying, including the refrigerator, washer, and dryer. The primary suite offers double sinks and a relaxing jetted tub. One of the home's standout features is the expansive recreation room wrapped in windows, flooding the space with natural light and providing the perfect setting for entertaining, relaxing, or gathering with family and friends.

Major updates include two heat pumps approximately one year old and a new architectural shingle roof installed in April 2026. The unfinished basement offers abundant storage and tremendous potential to add finished square footage and build equity. In addition to the drive-under garage, there is a detached two-car garage at the rear of the property, ideal for additional vehicles, a workshop, or hobbies.

Enjoy the privacy of the backyard, which offers plenty of opportunity to create your own outdoor retreat including a charming gazebo. The existing in-ground pool is currently nonfunctional, and the hot tub will be removed.
