Description

Looking for a spot to start your next business venture? Check out this steel-frame Red Iron building constructed in 2020, that sits on 0.77 acres. It is designed for long-lasting durability and low maintenance. With its many desirable features, the property is move-in ready or can be easily modified to suit your specific business needs. Property is zoned B-2 in Washington County, VA. Refer to bidder pack for B-2 zoning regulations. High visibility just outside of the Town of Abingdon with great visibility and ample parking. The building is 1,564 +/- sq. ft. with 3 HVAC split-system units, full insulation, 16' foot ceiling in center, 200-amp electric service, LED lighting throughout, floors drains, an apartment-size kitchen, full bathroom, washer and dryer hookups, and handicap accessibility. The building sits on a concrete slab foundation, and the floors were professionally epoxy-coated three years ago. Conveniently located just outside the town

limits, the property still benefits from town water and sewer. Outside, there is an older garage building that could be restored for additional storage, along with space for 10+ parking spots. This is an excellent opportunity for a governmental office, professional services, or general commercial retail business. Don't miss your chance to secure a versatile commercial property with outstanding potential! Property's current use is a successful pet grooming business. Current owner is transitioning into a mobile pet grooming business.
