Step inside, and the scale and elegance speak for themselves. A grand foyer welcomes you in, flanked by a vaulted home office and a formal dining room designed for hosting. The two-story great room is simply stunning--flooded with natural light and anchored by soaring ceilings that create an airy, elevated feel throughout the main living space. Also on the main level-- powder room, spacious laundry, and a 3-car garage complete with EV charger. Upstairs, the home continues to impress with two ensuite bedrooms, two additional generously sized bedrooms, and another full bath--offering flexibility for family, guests, or additional office space. The fully finished lower level lives like a home within a home. With abundant natural light, tall ceilings, a full kitchen, living area, bedroom, and full bath, it creates the ideal in-law suite or private guest quarters.
