Description

This home does currently have a contract contingent on the buyers' home selling and with a 48 hour bump out clause. So we are definitely still entertaining offers. Prepare to fall in love with this exceptional one-owner custom home, perfectly

situated on a level cul-de-sac lot in the prestigious Windridge subdivision. Offering privacy with no homes directly behind or beside the property, this all-brick residence combines timeless craftsmanship with an outstanding location just minutes from downtown Kingsport, Bristol, and Johnson City.

Designed with comfort and functionality in mind, the home features true one-level living with an elegant primary suite and laundry room on the main level, along with an oversized three-car garage and professionally landscaped grounds. The impressive two-story foyer and living room create a grand first impression, while 9-foot ceilings and custom hardwood cabinetry throughout showcase the home's quality construction.

The chef's kitchen is truly the heart of the home, featuring granite countertops, a new cooktop, new dishwasher, double ovens, an eating bar, coffee and wine bar, and not one but two walk-in pantries. Just beyond the kitchen, the inviting year-round sunroom provides the perfect place to relax and enjoy views of the backyard.

The main-level office offers vaulted ceilings, a beautiful Palladian window, and French doors for privacy, making it ideal for working from home or easily serving as an additional bedroom if desired.

The spacious main-level primary suite is a private retreat with abundant bathroom storage, a walk-in shower, jetted soaking tub, and generous closet space. Upstairs, you'll find a second primary suite with an enormous walk-in closet, two additional bedrooms, a full hall bath, a large bonus room, and exceptional storage throughout. New carpet in upstairs bedrooms and bonus room.

Storage is abundant everywhere you look, including a fully encapsulated walk-in crawl space perfect for seasonal items and a hidden storage room tucked beneath the staircase--simply press the door to reveal this unique feature. The laundry room is equally functional with built-in cabinetry and a utility sink.

Additional upgrades include a hardwired security system, an energy-efficient dual gas/electric HVAC system that is less than four years old, and a tankless water heater. Freshly painted throughout.

The outdoor living space is nothing short of spectacular. The rear patio is designed for year-round entertaining and features a large bar, beautiful stone fireplace with gas logs, comfortable seating area, dining space, and abundant charm--creating the perfect setting for hosting family and friends or simply enjoying a peaceful evening at home.

Some indoor and outdoor furniture is negotiable. The refrigerator conveys; however, the ice maker and water dispenser are not operational. Kitchen and main-level primary bedroom curtains do not convey.
