Sitting on 24.97 mostly pasture acres, this farm was being used up until a month ago so it is ready for new buyers to take over. The farmhouse overlooking Beavercreek has about 3600 sq ft with lots of rooms including 5 bedrooms and 3 full bathrooms. Large open living room with a fireplace and built in shelves. All the bedrooms are huge with walk in closets. One bedroom is on the main level and 4 upstairs including the master suite with a porch and sunroom with AC. Laundry is

on the main level and has a doggy door to the fenced in side yard. Kitchen has lots of cabinets and plenty more space for pantry's to be added along the wall. Dishwasher is only 1 year old. Another room off the kitchen was used as a formal dining room but could be a library or office. Lots of storage throughout the home. There is a balcony overlooking the creek in the front yard between the 2 bedrooms upstairs. The home offers new laminate flooring throughout, and some new light fixtures. Master bedroom has a brand-new ceiling fan; Septic has been pumped in the last year. HVAC has been serviced and clean in March. 2 propane heaters have been added to the home for back up heat source. One in the living room and one in the dining room. 3 of the bedrooms upstairs have window AC units installed last year. Sump pump was added in the basement. New landscaping was done last year around the home including solar lights. Lots of fencing has been done to accommodate farm animals. Chicken coop with electricity and fencing was added. Fencing was added around the old barn and is being used for goats. Goat shed was bought and moved into the fenced in area. Fencing in the front of the home was added. There is a fishing area at the bottom side of the property and a great place to put in kayaks or inner tubes for swimming. Lots of pastureland for riding 4 wheelers and just using the land. Beautiful mountain views from the top of the property. 2 HUGE buildings on the property for many uses. One is 120 x 40 and you could drive an RV all the way through. The other is a garage and measures 30 x 54. Lots of storage or could be used as a warehouse/office. This building has a hot tub in it and after a long day of work you can relax and soak in it. So much potential for this property. A great garden area in the front yard. Flat yard for a fire pit, swing set, water slide, tree swings, patio area and the list goes on.
