Description

Rare in the mountains: 34 acres of OPEN, LEVEL, FARM-READY pasture with year-round creek frontage. Approximately 24 acres of cleared, usable pasture in beautiful Shady Valley, ready to graze, plant, or build on now, plus approximately 10 acres along a year-round creek on the southern boundary. Protective deed restrictions prohibit toxic agricultural chemicals, herbicides, and pesticides. Restrictions also bar junkyards, feedlots, mining, billboards, RV and mobile home parks, and subdivision below 5 acres, so this pastoral valley stays pastoral. Agricultural zoning. Greenbelt status transfers to buyer. Barn on site. Electric available on adjacent property. Current survey available. Seller will consider dividing for qualified buyers seeking a smaller tract. Perfect for a homestead, small farm, market garden, equestrian property, or

family compound. Minutes to Mountain City, near Cherokee National Forest, South Holston and Watauga Lakes, the Appalachian Trail, and the Virginia Creeper Trail. Buyer/Buyer's agent to verify all information.
