Description

Beautiful, remodeled farmhouse on 20+ acres in Scott County, VA! If you've been dreaming of country living, homesteading, or starting a mini farm, this updated 1940 farmhouse offers the perfect blend of charm, function, and

opportunity. With 4 bedrooms, 1 bath, and more than 2,400 finished square feet, the home is full of character and thoughtful updates. The custom kitchen features handcrafted cabinetry, porcelain tile countertops, a tile backsplash, movable center island, gas range, pantry, and a cozy breakfast nook with built-in seating and storage. The main level also includes a large formal dining room, comfortable living room, two bedrooms, full bath, laundry room, and a cozy sitting room. Upstairs, you'll find two additional bedrooms and a bright sunroom currently used as a home office. A deep spring well provides excellent drinking water! The mostly fenced property is ideal for cattle, goats, sheep, or other livestock. Raised, fenced garden beds are ready for your next harvest, and two chicken coops with runs plus a separate rabbit shed make it easy to expand your homestead. Chickens laying a dozen eggs a day can stay with the property if desired. A classic old tobacco barn offers many possibilities, from storage to a farm stand business. The 2-car detached garage has newly installed electric service. And several outbuildings provide additional options for homesteading or storage. Just a few minutes' walk to go fishing. Practice target shooting or hunt deer. No restrictions! There's a potential building site for a second home with a separate entrance. The location is excellent yet incredibly private, with the Clinch River and Natural Bridge State Park nearby. Shopping and dining in Gate City and Kingsport are only 20 to 25 minutes by car. See a more complete list of all the updates attached. Schedule your showing today and check out everything this move-in-ready property has to offer!
