Description

Great investment opportunity, this property would be an excellent home for the handy man or a good flip or rental property for the investor. The inside needs a full redo but the exterior is in pretty decent condition. The vinyl siding, roof and heat pump are somewhere around 10 years old according to third party info but all information is speculative and should be verified by potential buyer. There is also an accessory building that unlimited potential. This is a cash only sale. Bring offers it's time to buy.....
