Description

Welcome to 115 Lazy Lane, a beautifully maintained Cape Code in the desirable Hillendale Estates. As you arrive to your new home you will be delighted by the fabulous wrap-around front porch where you will enjoy the Eastern Tennessee sunrise from your rocking chair. Enter into the front door and to your left is a large office / den for work from home or to enjoy a good book. Continue inward to the expansive great room that is well lit from numerous windows and direct access to the expansive back screened-in porch. The large eat-in kitchen is well laid out for home-cooked meals and entertaining.

The kitchen features stainless-steel appliances, including a wall oven and new cooktop on your large island. Additional pantry storage is located in the adjoining laundry room.

Adjoining the kitchen and great room is a large dining room for your annual gatherings.

Enjoy the large first floor primary, including a large master bathroom, walk-in closet, dual vanity and walk-in shower with two shower heads. Primary also has access to the screened-in porch as well as the great room.

On the 2nd floor you will find a 2nd primary suite and two additional bedrooms and a full bath. All 2nd floor bedrooms contain one large double-door closet and an additional smaller closet, newer carpeting (2024) and most newer windows (2024).

Enjoy a game of pool in the finished bonus room above the garage. The oversized garage with ample cabinet storage and work bench will accommodate larger vehicles.

The most enjoyable aspect of this home is the back, screen-end porch, deck and gorgeous gazebo. Sit and enjoy the many sunset views as you relax or entertain. The added bonus is the 18' x 36' salt-water inground pool with new liner (2026). Enjoy this move-in ready gem in a fabulous East Tennessee neighborhood.
