Description

Some homes you tour and immediately forget, this is not one of them. 1 Oglewood Circle is the kind of home buyers hope to find but rarely do.

Tucked away at the end of a quiet culdesac, this beautifully maintained split foyer offers something special the moment you arrive: privacy, pride of ownership, and a sense of "this is it." It's the kind of home you hate to leave.

Most of the time, pictures can be deceiving, that's not the case with this home. It's wayyy better in person! The moment you step inside your welcomed by a layout that feels both open and functional, with multiple living spaces that give everyone room to spread out without losing connection.

The main level is warm and inviting, featuring beautiful hardwood floors and a natural flow between the living, dining, and kitchen areas. The kitchen is truly the heart of the home--thoughtfully refreshed with quartz countertops, stainless steel appliances, refinished cabinetry, new hardware, sink, faucet, and disposal, plus added pantry storage and a charming coffee bar that makes mornings feel a little more special.

The primary suite offers a quiet escape, complete with an updated ensuite featuring a new vanity, tiled shower, and frameless glass door. Additional SPACIOUS bedrooms continue the theme of care and comfort with hardwood flooring, fresh paint, and updated lighting throughout.

Downstairs, the lower level is where this home really surprises you. It's the kind of space buyers walk into and immediately start imagining life in. A second living area for movie nights, game days, gatherings, man cave or simply to unwind. With a ductless mini-split system, new drywall, crown molding, trim, and fresh paint, it feels like a true extension of the home rather than just a basement.

And then there's the outdoor living area, arguably one of the most impressive features. Step outside and you'll find a new above-ground pool with deck, fenced yard, screened-in porch, and a 12x20 outbuilding with electrical service. Whether you're hosting friends, enjoying a quiet evening, or just soaking in the privacy of your backyard, this space delivers the lifestyle buyers dream about.

Behind the scenes, the updates continue with an upgraded electrical panel with generator connection, improved drainage, sealed garage, utility sink, landscaping enhancements, and tree removal all the details that make a home not just beautiful, but truly move-in ready and well maintained.

All major appliances, including the washer and dryer, convey.

At the end of the day, what makes 1 Oglewood Circle so special isn't just the updates or the space, it's the feeling you get when you realize you've found a home that's been loved, maintained, and ready for its next chapter. A rare find in a private cul-de-sac setting, and one that truly feels like home the moment you arrive.
