Description

Beautiful custom-built one-level home offering thoughtful design, quality finishes, and comfortable main-level living. The home features two spacious primary suites, each with its own private bath, making it ideal for guests, multi-generational living, or those wanting additional privacy.

The open living area features vaulted ceilings, recessed lighting, and attractive bamboo flooring, creating a warm and inviting atmosphere. The kitchen and dining area provide an excellent space for entertaining and feature custom cherry cabinetry, granite countertops, high-grade appliances, and tile flooring. A reverse osmosis water filtration system and whole-house surge protector add additional convenience and peace of mind. Enjoy the outdoors from the sunroom, which has ****two decks--one off each side--****providing plenty of space for relaxing, grilling, or entertaining. The conveniently located laundry room is directly off the kitchen. Additional features include tile flooring in the kitchen, bathrooms, and laundry room, plus a one-car detached garage/workshop. Under the house, there is also an additional exterior storage room, providing valuable space for tools, equipment, or seasonal items. Built in 2024, this custom home combines modern construction with quality craftsmanship and an excellent one-level floor plan. A rare opportunity for buyers looking for comfortable living, premium finishes, and plenty of useful storage and outdoor space. Schedule your showing Today.
