Description

A beautiful tree-lined driveway welcomes you to this private country retreat, setting the tone before you even reach the home. Situated on over 12 acres, this custom-built property offers privacy, acreage, beautiful water views, and a HUGE stocked pond fed by a wet-weather spring.

Built in 2010 and offering approximately 2,064 square feet, the home was thoughtfully positioned near the center of the property to maximize privacy and take advantage of the peaceful surroundings. Inside, the spacious open-concept living area features hardwood floors and tray ceilings. The oversized custom kitchen offers abundant cabinetry and counter space, including a large counter with additional seating that opens to the dining area. A dedicated office area provides a convenient space for working from home, managing everyday tasks, or creating a quiet study area.

The spacious primary suite features tray ceilings and a custom ensuite bath with a tiled walk-in shower. A huge basement with ample lighting provides excellent additional space for storage, a workshop, recreation area, or future possibilities.

One of the home's standout features is the screened front porch overlooking the water--the perfect place to relax and enjoy the peaceful setting and beautiful pond views. The lower portion of the property also features a small meadow area with its own access road, adding even more versatility to the acreage.

From the tree-lined driveway and private homesite to the huge stocked pond, meadow, and peaceful country setting, this property offers the privacy and outdoor space you've been searching for. With over 12 acres and a custom-built home surrounded by nature, this is one you'll want to experience in person.
