Description

Beautiful one-level home on a quiet 0.71-acre lot with mountain views. This 3-bedroom, 2-bath home offers an open floor plan with LVP flooring throughout.

The main living area has cathedral ceilings and opens to the dining area and kitchen, which features stainless steel appliances and a large island with plenty of workspace and seating. The primary bedroom includes a large walk-in closet and private bath with a spacious vanity and step-in shower.

Recessed lighting and ceiling fans are found throughout the home, including the great room and all bedrooms. The attached two-car garage offers additional storage and convenience.

Outside, the covered front porch is a great spot to sit and take in the evening sunsets. The back patio includes an outdoor kitchen area and plenty of room for grilling and entertaining. The fenced backyard also has a turf section, giving pets a clean place to play when the grass is wet.

The yard has been carefully landscaped and includes an irrigation system. With the mountain views, fenced yard, covered porch, outdoor kitchen, and one-level layout, this home offers a lot of extras both inside and out.
