Description

COMPLETELY REMODELED • ONE LEVEL LIVING 4 BEDROOMS • 3 FULL BATHS • 3 GARAGE SPACES • FINISHED BASEMENT

Welcome to 4514 Harbor Drive, where extensive renovations, flexible living spaces, and exceptional garage and storage options come together in a beautifully updated Kingsport home. From the moment you arrive, you'll appreciate the home's private, established setting, expansive driveway and inviting exterior--but the transformation inside is what truly sets this property apart.

This 4-bedroom, 3-full-bath home has been extensively remodeled from top to bottom, including a new roof and gutters, updated electrical, some updated plumbing, new and refinished flooring, a completely remodeled kitchen, and beautifully renovated bathrooms.

Enter from the main-level garage directly into a convenient mudroom/laundry area. From there, the home opens into a spacious rear living area that offers wonderful flexibility as a family room, media room or den. The primary suite is privately positioned away from the additional bedrooms, creating a peaceful retreat complete with a generously sized, fully remodeled primary bath featuring a freestanding soaking tub, large tiled walk-in shower, modern black fixtures and dual vanities.

At the heart of the home is the impressive remodeled kitchen, featuring crisp white cabinetry, expansive countertops, stainless appliances, a large center island, modern lighting and striking black accents. The kitchen flows beautifully into an additional family/living area where custom built-ins, floating wood shelving, shiplap accents and a contemporary fireplace create a warm yet modern focal point. Beautiful solid hardwood flooring carries through much of the home and adds timeless character to the updated interior.

Down the hall are three additional bedrooms and another completely remodeled full bathroom, providing plenty of room for family, guests, home offices or hobbies.

And there's even more downstairs! The finished basement offers another large living/recreation space, a third full bathroom, and access to the home's second attached garage--ideal for vehicles, a workshop, storage, hobbies or recreational equipment.

Need even more garage space? This property delivers with a separate detached garage, providing an outstanding additional option for a third vehicle, lawn equipment, workshop space or extra storage.

Outside, enjoy the home's spacious yard surrounded by mature trees along with a large deck, perfect for relaxing, grilling and entertaining. And the ENTIRE yard is fenced, so no more worrying about pets or children leaving the property. With multiple living areas, extensive renovations, three garage spaces and a versatile floor plan, this home offers a combination that's increasingly hard to find.

Move-in ready and extensively renovated, 4514 Harbor Drive offers the space, style, storage and functionality you've been searching for--all in an established Kingsport location. Enjoy the beautiful setting, within the Kingsport City School System. Schedule your private showing today! Buyer/Buyer's Agent to verify all information within.
