Description

Welcome to your opportunity to create the home you've always envisioned! Set on approximately 10 usable acres with beautiful mountain views, this brand-new home offers a rare combination of privacy, space, and modern design with the opportunity to add your own personal finishing touches. Step inside to a thoughtfully designed interior that offers a bright, open feel with impressive ceiling height and a spacious central living area. The main level provides the convenience of a private primary suite with its own bathroom, while the upper level features an open loft-style area overlooking the living room below. This flexible space can be tailored to suit your needs--whether used as a home office, hobby area, additional lounge, or creative space. Financing options may be available to assist with completing the home's remaining improvements. Certain lenders may offer rehabilitation or renovation loan programs that can potentially include eligible completion costs in the financing. Buyers should consult with their preferred lender to determine available programs and qualification requirements. Bring your vision, choose your finishes, and make this unique property your own! Call today for additional information and to discuss the possibilities.
