## Description

There is something special about coming home to a place that feels tucked away from the everyday hustle, and this charming log cabin in western Greene County offers just that. Situated on 1.55 acres at the end of a dead-end street, this

property provides a peaceful setting with plenty of space to enjoy the outdoors while remaining conveniently located just minutes from Greenville.

Step inside and you'll immediately appreciate the warm, inviting feel of the open living room and kitchen. A beautiful stone, wood-burning fireplace with a blower creates the perfect gathering spot on cool evenings, while the home's excellent insulation helps keep it comfortable and energy efficient. The sellers will certainly miss the home's impressive electric bills, which have remained under \$300 per month. The HVAC is approximately seven years old, and the water heater is brand new.

The split-bedroom layout offers privacy and convenience, with the primary bedroom located just off the entrance and the additional bedrooms on the opposite side of the home. Three bedrooms are complemented by two additional rooms that provide flexible space for an office, hobby room, or whatever best suits your needs. Upstairs, the loft opens to a balcony where you can slow down, enjoy your morning coffee, listen to the birds, and take in the peaceful wooded surroundings. When evening arrives, gather around the outdoor fire pit and enjoy the changing seasons.

The finished basement adds even more possibilities, with space for a workshop, hobbies, storage, or other projects. Outside, the impressive 20' x 40' detached shed features a matching metal roof and provides abundant space for storage or workspace.

With room to spread out, inviting indoor and outdoor spaces, and a location that puts you within easy driving distance of Greenville, Knoxville, (GO VOLS)Gatlinburg, Pigeon Forge, and the Great Smoky Mountains, this property offers the opportunity to enjoy the best of a relaxed cabin setting without giving up accessibility. If you've been dreaming of a place where you can unwind by the fire, spend time outdoors, and simply enjoy the surroundings, this one is worth a look!
