Description

What if home felt a little more like a getaway? At 107 Jamie Elaine Drive, you can enjoy the space and comfort of home while living close to some of Northeast

Tennessee's most beautiful outdoor destinations. Watauga Lake, Wilbur Dam and Cherokee National Forest are nearby, putting fishing, boating, kayaking, hiking, picnicking and mountain adventures within easy reach. Then come home to a place with room to spread out, pursue the things you enjoy and simply live comfortably. Inside, warm wood doors and trim give the home character, while the generous floor plan offers multiple spaces that can adapt as your life does. Create a home office, craft or hobby room, guest space, reading retreat--or simply enjoy having room for everyone to find a favorite spot. The kitchen offers abundant wood cabinetry and workspace, along with an adjoining laundry and storage area. Throughout the home, you'll find an impressive amount of closet and built-in storage--one of those everyday conveniences that's easy to appreciate once you have it. The spacious primary suite feels like a retreat of its own, with room for substantial furniture, a large walk-in closet and private bath featuring a double vanity with decorative vessel sinks. Glass doors open directly from the bedroom to the deck, so fresh air and outdoor relaxation are only a few steps away. Additional bedrooms provide even more flexibility for family, overnight guests, working from home or hobbies. But the lifestyle extends well beyond the walls. Imagine waking up on a Saturday morning and deciding whether the day calls for a fishing rod, hiking shoes, a kayak or a picnic basket. Spend the afternoon exploring the lake, forest and mountains, then head home to relax in your own comfortable space. That's the appeal of this property: you don't have to choose between having room at home and having adventure nearby. Whether you're looking for a full-time home in the mountains, more space for the things you enjoy, or simply a place that makes it easier to embrace the East Tennessee lifestyle, 107 Jamie Elaine Drive is ready for its next chapter. Come see the house--and stay long enough to imagine the life you could create here. Buyer/Buyer's Agent to verify all information.
