Description

Stunning custom all-brick home with beautiful outdoor living & finished main-level flexibility located in the sought after Wiltshire Subdivision in the heart of Boones Creek.

Welcome home to this beautifully maintained, move-in ready all-brick home offering over 2,400 finished square feet, 4 bedrooms, 3 full baths, and an abundance of thoughtfully designed living space. Situated on a gorgeous .42-acre landscaped lot, this home combines timeless style, functional living, and exceptional outdoor spaces. From the moment you step inside, you'll be welcomed by a beautiful two-story foyer and formal dining room. The impressive two-story great room is filled with natural light and features gleaming hardwood floors and a custom fireplace, creating a warm and inviting gathering space that flows seamlessly into the kitchen. The kitchen is truly the heart of the home, featuring beautiful cabinetry, solid-surface countertops, tiled backsplash, stainless steel appliances and a convenient pantry. A breakfast nook, laundry room, and easy access to the outdoor living spaces add to the home's functionality. The main-level fourth bedroom, complete with its own full bath, offers incredible flexibility and could easily serve as a guest suite, in-law suite, home office, or private retreat. Upstairs, the spacious primary suite is designed for relaxation, featuring tray ceilings, dual vanities, a custom-tiled walk-in shower, soaking tub, and an oversized walk-in closet with abundant built-in shelving. Bedrooms two and three are generously sized and offer ample closet space. Step outside and you'll find one of the home's true highlights--a screened-in back deck overlooking the large, private fenced backyard. The perfect place to enjoy your morning coffee, entertain guests, or unwind at the end of the day. A second reinforced deck is ready for a hot tub and already has 220V power available. The meticulously landscaped yard is equally impressive, featuring permanent landscape curbing, custom outdoor lighting, and gorgeous established flower beds that create beautiful curb appeal and a private outdoor oasis. For even more space and storage, the home offers a full unfinished walk-out basement with built-in shelving to keep everything organized and easily accessible. The basement provides endless potential for future expansion or simply an abundance of storage. Recent improvements include roof and gutters replaced in 2021, water heater replaced in 2019, window screens rescreened, and both heat pumps replaced in April 2026. This exceptional home has been lovingly maintained and offers the perfect combination of elegance, comfort, flexibility, and outdoor living. A true must-see! The kitchen refrigerator, garage refrigerator, basement freezer, and gorilla shelving in the basement are negotiable. All information deemed reliable but subject to buyer verification.
