Description

Tucked away in a great Mount Carmel neighborhood, this spacious property delivers the kind of flexibility and outdoor space that's hard to find. The main floor centers around an open-concept living and kitchen area that makes everyday life easy, flowing right into large, comfortable bedrooms and two full baths upstairs. Downstairs, a freshly remodeled flex

space features a newly added natural gas fireplace--ideal for staying cozy when the weather cools down.

Step outside and you'll find a completely flat backyard framed by mature trees, giving you plenty of room for a playset, weekend BBQs, or a massive garden. If you need storage, this place overdelivers with a garden shed, a newer lofted outbuilding, and a 2-car detached garage. To top it all off, the big-ticket items are already taken care of with a new roof and newer HVAC. It's a comfortable, highly functional setup from top to bottom.
