Description

Welcome to this charming 2-bedroom, 2-full-bathroom home nestled at the end of a quiet dead-end lane! As you step inside, you are welcomed by an inviting kitchen/dining room combo or a spacious living room (there are 2 doors that you can enter the home from). The primary bedroom features an ensuite bathroom with a walk-in shower, two large closets,

and dedicated space for a home office. The second bathroom includes a walk-in shower along with convenient washer and dryer hookups. Additional storage is available in the basement, which could also serve as a cellar. Outside, relax on the partial wrap-around porch and take in the beautiful mountain views while enjoying your morning coffee or tea. Perfect for entertaining, the property features both a screened-in porch and a screened in gazebo for family and friend get-togethers. The yard boasts ample shade trees, natural rock accents, multiple covered parking options, and a large storage shed that can easily double as a workshop or extra storage space. Information deemed reliable but not guaranteed. It is the sole responsibility of the buyer and buyer's agent to verify all information contained herein.
