Description

ANTLER SUMMIT | WHERE LEGACY MEETS THE HORIZON
Set on approximately 100+/- acres in Laurel Bloomery, Antler Summit is a private estate combining architectural character, long-range mountain views, and the infrastructure expected of a year-round retreat. The approximately 5,146-square-feet residence features 4 bedrooms, 4 full bathrooms, dramatic vaulted ceilings, expansive windows, and a floor-to-ceiling stone fireplace anchoring the main living area.
The kitchen features Forno appliances, including a 48-inch dual-fuel range, with an open design connecting the kitchen,

dining, and living spaces. Covered and open-air living areas extend the home outdoors, taking advantage of the elevated setting and surrounding landscape.
Designed for both comfort and independence, the property includes a Generac whole-home generator, approximately 843-feet-deep well, and a high-recovery Essency water heating system. A large garage provides additional space for equipment, hobbies, projects, and recreational vehicles.
Beyond the residence, approximately 100+/- acres offer privacy, wooded terrain, open areas, established access, and room to explore and recreate. Antler Summit is a rare combination of scale, privacy, mountain views, architecture, and infrastructure--an estate designed to be enjoyed today and preserved for generations.
