This new-to-market home offers three bedrooms, two bathrooms, and 1,809 square feet arranged for relaxed everyday living and easy entertaining.

Inside, a fresh coat of paint creates a clean, versatile backdrop for your furnishings. Hardwood, ceramic tile, and luxury vinyl tile flooring add character and function across the home. The kitchen features new stainless steel appliances, giving meal preparation a polished, contemporary setting. Two new French doors open to the deck, where recently replaced boards provide a refreshed place for outdoor dining, grilling, or quiet afternoons.

Meaningful updates extend beyond the finishes. The heat pump is approximately two years old, and the newer roof adds another notable improvement for prospective owners. A one-car carport provides covered parking and everyday convenience.
