Description

Custom-built country living with breathtaking mountain views! Situated on approximately 2 acres just 7.2 miles from town, this thoughtfully built home offers a peaceful setting along a quiet road surrounded by beautiful East Tennessee

countryside. Originally constructed by the current owners as their "forever home," attention was given to comfort, efficiency, and quality throughout.

Step inside to an inviting open-concept living, dining, and kitchen area highlighted by warm wood flooring, natural wood trim, and abundant natural light. The kitchen features granite countertops, real-wood cabinetry with plentiful drawer storage, stainless appliances, and plenty of workspace for everyday living and entertaining. The living area is anchored by a charming wood-burning stove surrounded by custom stonework crafted from locally sourced split river stone, creating the perfect gathering place on cooler evenings.

One of the home's standout features is the approximately 50-foot covered porch, where you can relax and take in sweeping views of the surrounding fields and mountains. Whether you're enjoying morning coffee or winding down at sunset, this is the kind of view that never gets old.

Built with 6-inch walls and extensive insulation, the home was designed with energy efficiency in mind. Additional features include a conditioned crawl space and Whirlpool whole-house water filtration system. The owners also made an effort to use lower-chemical materials where possible during construction.

Outside, the property continues to impress with a 24x30 detached shop/garage, garden area, chicken house, and established edible landscaping featuring approximately six pawpaw trees, two apple trees, two pear trees, four fig trees, plus rows of blackberries and raspberries.

Offering privacy without isolation, the surrounding quiet roads are well suited for peaceful walks or bike rides while still keeping you convenient to town. Mountain views, usable acreage, a spacious shop, covered porch, fruit trees, and custom construction all come together to create a truly special property.

Come experience the setting, craftsmanship, and views for yourself -- this one is much more than just a house; it's a place to call home.
