Description

Offered for sale for the first time by the original owner, this well-maintained 3 bedroom, 2.5 bath home offers a wonderful combination of space, updates, and location, all within a short walk of historic downtown Jonesborough! Several notable improvements have been made over the years, including updated windows and bathrooms. The most recent updates include a metal roof and HVAC system, both installed in 2024. From the foyer, head upstairs to the main living level featuring a spacious living room and an inviting eat-in kitchen with abundant cabinet space. Down the hall are all three bedrooms and two full bathrooms, providing a functional layout with the primary living spaces conveniently located on one

level. The lower level adds valuable additional living space with a large family room/den centered around a wood-burning fireplace, creating a comfortable space for relaxing or entertaining. Also on this level is a spacious laundry room with a half bath, under-stair storage, and convenient access to the drive-under garage. The washer and dryer convey with the sale. Out back, an extended deck provides plenty of room to enjoy the peaceful surroundings and includes a newer hot tub that also conveys. Mature, established landscaping creates a private, park-like backyard setting, while a generously sized storage shed offers additional space for lawn and garden equipment. The drive-under garage is complemented by a large adjoining unfinished storage area, providing excellent space for tools, hobbies, seasonal items, or additional storage. An additional refrigerator and freezer located in the garage also convey with the property. With major updates already completed, generous living and storage space, an inviting backyard, and a location convenient to the shops, restaurants, events, and charm of downtown Jonesborough, this longtime family home is ready to welcome its next owner!
