Description

Nestled in a great neighborhood, 204 Dogwood Dr. is being sold as is and offers a spacious tri-level layout with 3 bedrooms, 2.5 baths, multiple living areas, and plenty of flexible space to fit your needs.

The main level features a comfortable living room and kitchen, creating a welcoming gathering space for everyday living and entertaining. The kitchen offers a functional layout with an opportunity for the new owner to add personal updates and modern touches. Refinished hardwood floors, recessed lighting, new ceiling fans, French doors, and numerous replacement windows add to the home's appeal.

Upstairs, you'll find 3 bedrooms and 2 full bathrooms, providing a separate and private area for bedrooms and everyday routines.

The lower level adds even more versatility with a second living area, half bath, washer and dryer, and take few steps down and you will find additional bonus space that can be used as a home office, homeschool room, playroom, hobby area, or other flex space.

Recent improvements include a new roof, refinished hardwood floors, recessed lighting, new ceiling fans, and numerous replacement windows. All appliances convey, including the washer and dryer, making this home convenient and ready for its next owner.

Step outside to enjoy two back patios, offering plenty of space for outdoor seating, grilling, or relaxing. A spacious attached carport provides convenient covered parking and additional utility space.

With its multi-level layout, generous living areas, recent updates, flexible lower-level space, and desirable neighborhood setting, this home offers plenty of room to make it your own.
