Description

Mountain views, acreage, and a nearly new home. This one checks the boxes. Sitting on 4.4 acres with 217 feet of road frontage, this 2025 manufactured home offers 4 bedrooms, 2 bathrooms, and approximately 1,896 sq. ft. of thoughtfully designed living space. The spacious floor plan provides plenty of room to spread out, while the acreage gives you the freedom to enjoy the property your way. But the real showstopper is the setting. Beautiful East Tennessee mountain views stretch out in the distance, creating the kind of backdrop that never gets old. The home is currently serviced by well water, with public water available at the road, giving the next owner added flexibility. Whether you're enjoying a quiet morning at home, entertaining family and friends, or simply looking for more room and fewer neighbors, this property delivers. Newer home, 4.4 acres, 217 feet of road frontage, and mountain views. Drawn in lines are approximate.
