Description

EXTREMELY PRIVATE 13.06 ACRES! If privacy and seclusion are at the top of your list, this property delivers. Offering approximately 747 feet of road frontage, the property consists of two tracts being sold together as a whole and provides an outstanding opportunity for a private homesite, mini-farm, or recreational retreat.

A standout feature is the impressive 48' x 36' barn complete with two stalls and a loft, along with numerous additional outbuildings and sheds that provide excellent storage and versatility. The property also features an approximately 200-foot-deep well that has been used agriculturally. A septic system is on the property. Near the center of the acreage is a beautiful cleared area, surrounded by mature trees for exceptional privacy, that offers an ideal building site. Tucked away from surrounding properties and offering a peaceful, secluded setting, this is a rare opportunity to own acreage where you can create your own private retreat.
