Description

Nestled in a beautiful country setting, this charming century home sits on nearly two acres of fully fenced pasture, offering space, privacy, and endless potential. A gated entry welcomes you home, leading to a circular driveway plus a second driveway for added convenience around the side of the house. The property features a two-car carport with a built-in chicken coop and a separate storage shed. There is a spacious front porch perfect for quiet mornings enjoying the scenery. Mature pecan and walnut trees are another bonus to this lovely property. The kitchen and bathroom/laundry combo have been recently fully renovated with updated cabinets, countertops, tile floors, ceilings, lighting, and high-end kitchen appliances. The windows in these rooms are updated double-paned windows. The rest of the house has been updated with new hardwood flooring, updated fixtures/outlets, paint, and loads of charm. The French doors in the living room are new and lead out to one of the two new spacious decks. Whether you want a quiet and scenic retreat, a large garden, room for some animals, a place to live while you build your dream house next door on the acreage, or a multi-generational property, this is a must-see! Includes AI-edited pictures of the front porch and living room for inspiration purposes; original photos are attached for reference. Buyer/buyer's agent to verify.
