Description

Some homes have a little more history behind their walls than others! Originally built as a schoolhouse in the early 1900s and later used as a church, this Norton property has been transformed into a unique 2-bedroom, 1-bath home with plenty of character and a story to tell. Inside, you'll find tall ceilings, a spacious living area, and a generously sized kitchen with

plenty of room for dining. The bright interior offers a comfortable, open feel while still maintaining the charm of the building's original design. Updates include a newer roof, mini-split heating and cooling systems, and updated electrical and plumbing. Situated on approximately 0.57 acres, the property also offers a covered porch and room to enjoy the outdoors. With its interesting history, updated interior, and distinctive layout, this home offers something you won't find in your average property!
