Description

Welcome to 3400 Sugartree Court, a beautifully updated 4-bedroom, 2.5-bath brick home situated on a quiet cul-de-sac in a convenient Johnson City location. Step inside to beautiful hardwood floors and a welcoming foyer highlighted by a classic staircase. To the right is a flexible den or home office, while the spacious formal dining room to the left leads directly into the heart of the home--the kitchen. Renovated in 2025, the kitchen features granite countertops, tile backsplash, abundant cabinetry, newer stainless steel appliances, and an eat-in breakfast area. A new gas line was also installed for the dual-fuel convection oven, making this space especially appealing for anyone who enjoys cooking. Just off the kitchen is a generous laundry area complete with a utility sink, second refrigerator, washer and dryer, additional storage, and convenient access to the garage. A second staircase from this area leads to the upstairs bonus room. The oversized two-car garage provides additional storage, while the large asphalt driveway offers plenty of extra parking for guests or multiple vehicles. On the other side of the kitchen, the inviting family room features a gas fireplace with built-in shelving and cabinetry. From there, step into the sunroom surrounded by floor-to-ceiling windows and overlooking the private backyard. The large, fenced, south-facing backyard offers plenty of room to relax, entertain, garden, or simply enjoy the outdoors. Garden enthusiasts will appreciate the established fruit trees and plants, including 2 apple trees, 3 peach trees, 4 fig trees, a Stella cherry tree, elderberry, mulberry and blackberry bushes, and a kiwi vine. With its southern exposure, the yard also provides an excellent opportunity for a vegetable garden. Upstairs are four bedrooms and two full baths, including a primary suite with private bath and three additional generously sized bedrooms served by a second full bathroom. Built-ins, side closets, and additional storage areas provide plenty of room to keep everything organized. Recent improvements add even more value, including a new HVAC system with an upstairs heat pump and air handler, plus a downstairs A/C unit and new gas furnace, new electrical panels, and fresh paint throughout. The home also includes two refrigerators, dual-fuel convection oven, microwave, dishwasher, washer and dryer, with the gas fireplace remaining as well. Conveniently located near Johnson City's shopping, dining, medical facilities, schools, and major roadways, while still offering the quieter setting of a cul-de-sac, 3400 Sugartree Court combines classic character, thoughtful updates, generous living space, and a fantastic backyard.
