Description

With its extensive 3500 feet of river frontage on the North Fork of the Holston River, open hay and pasture fields, gorgeous views, rural surroundings, and convenient location near the Virginia-Tennessee border, this property presents a rare opportunity for those seeking acreage, recreational possibilities, agricultural use, or a property to explore for future development potential.

Come explore the possibilities and discover what this approximate 52 acre property, located at 603 and 607 Warm Springs Road in Weber City, Virginia, has to offer. Situated just a half mile off State Route 23, approximately 1½ miles from the Tennessee state line and the beginning of Interstate 26, this property offers convenient access to nearby communities such as Weber City, Gate City, and Kingsport, TN. In the past, this property was used for livestock, farming, gardening, recreation, fishing, swimming, hunting, family gatherings, and most, importantly, co-mingled with fun and great memories. Sellers boast of fishing for small mouth, swimming in a deep-water hole, camping, exploring a small "island", the shoals, and spending time with loved ones! The property features a barn with electricity, which is currently available.

Two existing wells serve the property's two former dwellings, which include a basement house and an old block schoolhouse built in 1908. (See old photos of schoolhouse). Both dwellings are currently uninhabitable and could potentially offer future renovation or redevelopment, subject to inspection and applicable approvals. Septic tanks, electric lines, and poles are present at both locations. With 52-acres and on the river, the opportunity to create a thoughtfully planned community, residential subdivision, or other development, this property is ideal for buyers seeking space to bring a vision to life. A sewer easement lines along the river, which is perfect for development, if desired, and a public water line near the corner of the property. Please contact Scott County PSA to inquire and verify this information and accessibility.
