Description

Enjoy the beauty of country living without sacrificing convenience! Tucked back off the road at the end of a long driveway, this well-maintained property offers 6 acres of rolling pasture and a peaceful setting just 10 minutes from Greeneville.

The covered front deck overlooks the surrounding rolling hills, mountains and pasture, while a short stroll toward the lower portion of the property reveals a beautiful mountain view that's worth taking in.

Inside, you'll find a home that has been thoughtfully cared for and updated over the years. The kitchen features granite countertops installed in 2020, complemented by LVP flooring throughout the home. Both bathrooms have been remodeled, with the primary bath updated in 2020 and the hall bath in 2026. The primary bedroom adds a touch of charm with its wainscoting, and even the closets have built-in lighting. The home is also wheelchair accessible, with a convenient utility sink in the laundry room.

Outside, there's plenty of room to enjoy the property, whether you're relaxing on the spacious back patio surrounded by attractive landscaping, watching for deer and turkey, or making use of the additional storage and workspace. Two sheds provide extra storage, including a newer 14x32 building with two lofts. There's also a chicken coop and a separate carport currently used for tractor storage.

Additional features include a metal roof, 2021 well pump, water softener, attic fan with humidistat, and underground utilities. The garage floors were recently upgraded with epoxy flake flooring in 2026, complete with a warranty.

With no neighborhood restrictions and no city taxes, this property offers room to spread out, enjoy the outdoors, and make the most of country living while remaining close to restaurants, shopping, schools, and medical facilities. Showings by appointment only. Please schedule your private tour through your real estate agent.
