Description

Turn-key 10-acre homesite tucked in a quiet valley off paved Chock Creek Rd in Johnson City. The hard work is done: a level, ready-to-build pad with 200-amp electrical service already run to the site, public water on the property, and an existing permitted septic system. The land is cleared and planted with apple trees and blueberries, with privacy trees lining the gated entrance. Mature timber offers plenty of hunting spots, with deer, bear and turkey on the property. A tiny container home conveys with the property, ready to customize or use for storage. Three ponds, a shed with a concrete floor and a second power pole at the front add even more options. Enjoy city amenities with county-only taxes. Bring your plans and start building! Showings by appointment only. Information gathered from third parties and the seller is assumed reliable but should be verified by the buyer or buyer's agent.
