Description

New listing opportunity! Previously under contract, but the buyer's financing fell through at no fault of the seller. A home inspection report is available, and the property has already passed an FHA appraisal at a value well above the current asking price! Priced to sell, this is an opportunity you don't want to miss!

Conveniently located near Exit 7 in Bristol, VA, this updated 3-bedroom, 2-bath home offers the space, improvements, and flexibility buyers are looking for! Situated on approximately 0.40 acres, the property features a spacious yard, freshly stained front and back decks, and a two-car garage.

Inside, you'll find a fresh, inviting interior with updated finishes throughout. The kitchen features shaker-style cabinetry, while both bathrooms have been remodeled for a clean, modern look. Fresh paint, updated fixtures, black hardware, and new switches and outlets complete the improvements throughout the home.

Need additional space? The finished basement provides plenty of flexibility for a second living area, home office, playroom, workout space, or whatever fits your needs! A major bonus is the approximately $20,000 professionally installed basement waterproofing system by Master Services, complete with a sump pump, drainage system, and lifetime transferable warranty.

Additional improvements include an HVAC system replaced in 2019, water heater in 2020, and roof replaced in 2016 with 50-year shingles.

Just minutes from shopping, dining, schools, and I-81, this location offers everyday convenience while still providing room to enjoy your own outdoor space. Schedule your showing today!
