Description

Welcome to this beautifully updated 3 bedroom, 1 bathroom home offering approximately 1,100 square feet of comfortable living space with a touch of country charm!

Remodeled in November 2025, this home features several recent upgrades, including a metal roof, luxury vinyl plank (LVP) flooring, granite countertops, refrigerator, microwave, and doors, all approximately one year old. The main bedroom features a spacious walk in closet, providing plenty of room for clothing and storage. The updated bathroom features a beautiful tile shower and a large closet for additional storage.

Step outside to enjoy a backyard that offers plenty of possibilities! The yard is partially enclosed by a privacy fence, providing a great space for outdoor activities. A large storage building offers plenty of room for tools, equipment, or hobbies. The storage building is also wired for electricity and features plenty of electrical outlets, making it an ideal space for a workshop, hobby area, or workspace. The property also features existing animal pens, making it an excellent opportunity for anyone dreaming of a mini farm or enjoying a little country living.

The home is currently connected to city water but also has an existing well that may be put back into operation with some additional work, offering the potential for an alternative water source. All existing well equipment will remain with the property.
